Approval for Your Engine Oil "Lotos Dynamic"

Dear Madam or Sir,

Your above mentioned service product complies with the requirements of the Mercedes-Benz Specifications for Service Products, Sheet 229.1 and is therefore approved for Mercedes-Benz vehicles and assemblies. The application range is shown on this sheet, respectively explained on Sheet 223.2. Our other specifications, e.g. SAE-grades, capacities, change intervals, etc. have to be observed as well.

A 2 litre sample of each formulation and every SAE-Grade must be retained at all times, which can be called upon by DaimlerChrysler AG at any given moment. We will advise the address.

Yours faithfully
DaimlerChrysler AG
