Engine Oil

Dear Mr Broniszewski,

Analysis of the engine oil

Lotos Semisynthetic SL/CF SAE 10W-40 (Oil-Code IME 0402344-D)

has shown that product in question meets the requirements in accordance with VW Standard 505 00. This engine oil is therefore suitable for use in our diesel engines, including engines with turbochargers, in accordance with the Owner's Literature for our products.

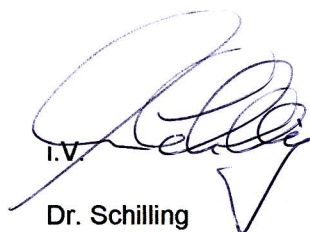

So that it is clear to both customers and workshops that this approval has been granted, containers should state:

"approved under VW Standard 505 00"

Please note that this approval expires after 36 months, at which point compliance with the then valid VW standards must be verified again.

You will receive an additional bill for the approval fees (€ 2 680.-) by separate post.

Yours sincerely,

i.V.
Dr. Schilling
